The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Costa Mesa Senior Center Renovation, Roof, and HVAC Replacement** in Fiscal Year 2026. The entity to receive funding for this project is the **City of Costa Mesa** located at **77 Fair Dr, Costa Mesa, CA 92626**.

The funding would be used to upgrade the Costa Mesa Senior Center's infrastructure and HVAC systems, which are nearing the end of their useful life. As a facility that serves as both a community gathering place and a designated cooling center, these upgrades are needed to maintain appropriate indoor temperatures, particularly for seniors and residents with medical conditions who rely on climate-controlled environments.

This project is an effective use of taxpayer dollars by ensuring the Costa Mesa Senior Center remains a safe, comfortable, and reliable facility for the community's most vulnerable residents. This funding not only protects a critical public asset but also ensures the City of Costa Mesa can continue to offer programming, meals, social services, and emergency support to the public.

The project has a Federal nexus because it is for one of the purposes of the Community Development Fund under 42 U.S.C. 5305(a)(2).

Lastly, I certify that neither I nor anyone in my immediate family have a financial interest in this project.

Thank you for your consideration of this request.

Sincerely,
