The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Huntington Beach Navigation Center** in Fiscal Year 2026. The entity to receive funding for this project is the **City of Huntington Beach**, located at **2000 Main Street, Huntington Beach, CA 92648**.

The funding would be used to modernize, expand, and make more accessible the City of Huntington Beach's Navigation Center. Significant renovation is urgently needed to maintain the health, safety, and operational standards of the Center. Failure to address these deteriorating conditions may result in sanitation hazards, diminished client dignity, and disruptions to essential services.

This project would be a valuable use of taxpayer dollars because the Center serves those who seek the city's homelessness and behavioral health continuum of care, which has broader community benefits.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2) and 42 U.S.C.5305(a)(5).

Lastly, I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in blue ink, appearing to read 'D Min'.
