The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of Seal Beach Police Department's Officer Wellness and Resilience Initiative** in Fiscal Year 2027. The entity to receive funding for this project is the **Seal Beach Police Department**, located at **911 Seal Beach Blvd, Seal Beach, CA, 90740**.

The funding would be used to fund a platform that includes specialized coaching, pre-clinical counseling, stress management training, and 24/7 chaplain support tailored specifically for law enforcement professionals. The project is an appropriate use of taxpayer funds because this investment will enhance public safety capacity across multiple jurisdictions that work collaboratively to serve the region. By supporting officer wellness and readiness, this initiative will help ensure that the officers responsible for protecting the district's neighborhoods, schools, businesses, and major transportation corridors remain well-equipped to respond effectively to community needs while maintaining the highest professional standards.

The project has a federal nexus because the funding provided is for purposes authorized by described in the Byrne Justice Assistance Grants (JAG) program, section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

Lastly, I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request.

Sincerely,

Dave Min
Member of Congress
